QUESTIONS	RESPONSE
Can an Architect firm interested in bidding for bid number: ZNB58/2019/20HSE be able to. Is this tender for the Contractors or Professional Service Providers as well?	The Department requires construction companies (contractors) using Alternative Building Technologies to be on a panel for construction of houses.
Clarification of page 16, Pricing Schedule. Do the service providers need to put the total price of one RDP house	No pricing is required at this stage as same will be based on the prevailing subsidy quantum. Note the bid is for the appointment of construction companies to be on a panel.
Please may we check what is the highest CIDB grading contractor that can tender on your project?	The bid is open to companies with a CIDB grading 2GB PE/CE and above.
Kindly advise if the companies need to submit only company documents or there is another document for Bill Of Quantity.	Kindly note that the bid document can be downloaded from www.etenders.gov.za . This bid is for a panel therefore no bill of quantity is obtainable or required.
