

Ngosuku lwesithathu kwavakashelwa izikole zase- Ixopo/ Jolivet

Bagqoguzela izikole ukuba zilusebenzise usizo olunikezwa nguhulumeni futhi zingenqeni ukuthinta abasebenzi bakahulumeni uma kungukuthi zidinga usizo kanye nokwelulekwa

Kulezi zinsuku zontathu, zonke izikole abazihambela bathola ukuthi zibhekene nenkinga yokuthi abafundi bahamba ibanga elide ukuze bafinyelele ezikoleni, baningi abafundi ababhalisile, bangaphezu kwamagumbi okufundela, izinga lokuphasa kanye nesichotho esicekele phansi izikole; bebala nje okumbalwa.

UMnuz Sizwe Mchunu, oyiLunga leSishayamthetho eSifundazweni unxuse uthishanhloko, othisha noMgwamanda Olawula Isikole (SGB) ukuba basebenzisane noHulumeni njengoba kade bengazelanga ukuzobheka

Ukuvakasha kwabe kungekona okokuzobheka izinselelo nje kuphela kodwa kwabe kungukozohalalisela lezo zikole ezisebenze kahle kakhulu kanye nokuzigqoguzela ukuba ziqhubekele phambili nokwenza kahle.

Bagqoguzela izikole ukuba zilusebenzise usizo olunikezwa nguhulumeni futhi zingenqeni ukuthinta abasebenzi bakaHulumeni uma kungukuthi zidinga usizo kanye nokwelulekwa.

Ngosuku lwesithathu kuvakashelwe izikole zase-Ixopo/ Jolivet.

Ngokulinganayo, zonke izikole ezivakashelwe zikhombise ukujabula futhi zabonga izithunywa zikaHulumeni ngokuba zizivakashele.

Lolu impela kube uhambo oluyimpumelelo njengoba izinkinga ezethuliwe zixazululwe ngendlela efanele, futhi izikole

nomhlahlandlela.

Okunye okube yisisombululo esahlonzwa kwaba ngukuthi izikole lezo ezinenkinga yabafundi abahamba ibanga elide zizohlinzekwa ngezinto zokuthutha abafundi.

UmNyango Wezemfundo KwaZulu-Natali uzoqhubeka ukulekelela izikole ngokuba uzihlinzeke ngezinhlelo ezahlukahlukene ekulekeleleni othisha nabafundi, othisha nomphakathi ukuba basebenze ngokubambisana ukuze bazuze imiphumela engcono.
